## Student Purchase Agreement

I, \_\_\_\_\_, enter into this agreement with Hypercube, Inc. for the purchase of a Student Edition of HyperChem 7. By signing below, I accept that:

1. this Software is intended for my educational purposes only;
2. further resale of the Software of any kind is prohibited;
3. in addition to this Purchase Agreement, the Software is governed by an End User License Agreement;
4. the prices in effect at time of sale are final and all sales are final; cancellations or other changes in the order are not allowed.
5. the Software is limited to a total of 5 re-licenses during the lifetime of the Software
6. the Software has limited atom capabilities as follows:

Ab Initio, DFT - 12 atoms

Semi-Empirical - 36 atoms

MM+ - 100 atoms

Amber, Charmm, OPLS - 1000 atoms

## Hypercube, Inc.

Upon the signature of this Purchase Agreement Hypercube, Inc. agrees to:

1. activate the Software license by providing to the student via email, a unique license code
2. provide limited technical support for the Software only though email;
3. no upgrades will be provided.

I hereby certify that I have read the terms and conditions printed on this document and agree to be bound by them. Furthermore I understand that any violation of the agreement or the Software End User License may lead to the immediate termination of the license.

I also certify that I am currently enrolled at an accredited college, junior college or university. Proof of my registration is attached.\*

Signature: \_\_\_\_\_

Print Name: \_\_\_\_\_

Date: \_\_\_\_\_

\*Acceptable proof is a copy of a current student ID card or current semester course registration documents issued by the school.
